High School Curriculum

Students in the Texas Tech University High School program come from different backgrounds, but all share the common goal of pursuing academic success. The Texas Tech University High School diploma program offers a state-accredited alternative to students who need or desire the flexibility of distance education to complete their course work and earn their high school diploma.

Credit by Exams (CBEs)

TTUISD offers **over 150 Credit by Exams (CBEs)**:

- ▶ CBEs are designed to evaluate a student's mastery of a given subject or discipline relative to Texas standards.
- ▶ They can be used to make up failed credits or to test out of a subject.
 - ▶ The following CBEs cannot be used to replace an end-of-course exam (EOC) or for acceleration, only credit recovery:
 - Algebra I - A & B
 - Biology - A & B
 - English I - A & B
 - English II - A & B
