

# UofL Music Therapy College & Career Day

High school students are invited to spend the day on campus seeing what it means to study music therapy at the University of Louisville. Current music therapy students and faculty will share insights about the field of music therapy. The Music Therapy Clinic will be open for tours with video examples of music therapy sessions shared. Students have the option to attend music therapy classes.

**Music Therapy College and Career Day:**  
Friday, February 1, 2019
